Crafted for Dreams, Engineered for Comfort

About Us

Foamico® is the luxury mattress brand by Legend Polyfoams Pvt. Ltd., created to represent the pinnacle of comfort, innovation, and craftsmanship. Every Foamico mattress is precisely engineered using premium materials and advanced sleep technologies to deliver indulgent comfort and long-lasting performance. With years of manufacturing expertise, Foamico stands as a symbol of trust, luxury, and uncompromising quality.

Mission

To transform sleep experiences by crafting premium-quality mattresses that blend cutting-edge technology with superior comfort.

Vision

To become a globally respected sleep brand, recognized for innovation, sustainability, and excellence in customer satisfaction.

Quality, Comfort & Technology

Each Foamico® mattress undergoes stringent **Quality** checks to ensure superior durability and performance.

Our mattresses are designed with precision layers to provide unparalleled **Comfort** and a luxurious sleep experience.

Foamico® incorporates advanced sleep **Technology**, including temperature regulation, orthopedic support, and eco-friendly materials, ensuring a perfect balance of comfort and innovation.

Experience the Foamico® Luxury

Your sleep is our top priority.
Foamico® mattresses are designed to
immerse you in an unparalleled sleep journey,
where every night feels like a retreat into
luxury. Wake up refreshed, rejuvenated, and
ready to conquer the day.

Sleep Better. Live Better

NATURA

OrthoSense®

Crafted with Next-Gen UMS Technology Foam

Benefits of Latex Mattress

Latex mattresses offer natural comfort, excellent breathability, and long-lasting support. Their responsive structure adapts to body movements, maintains spinal alignment, and reduces pressure points ensuring cooler, deeper, and more restful sleep.

Pin Core Latex

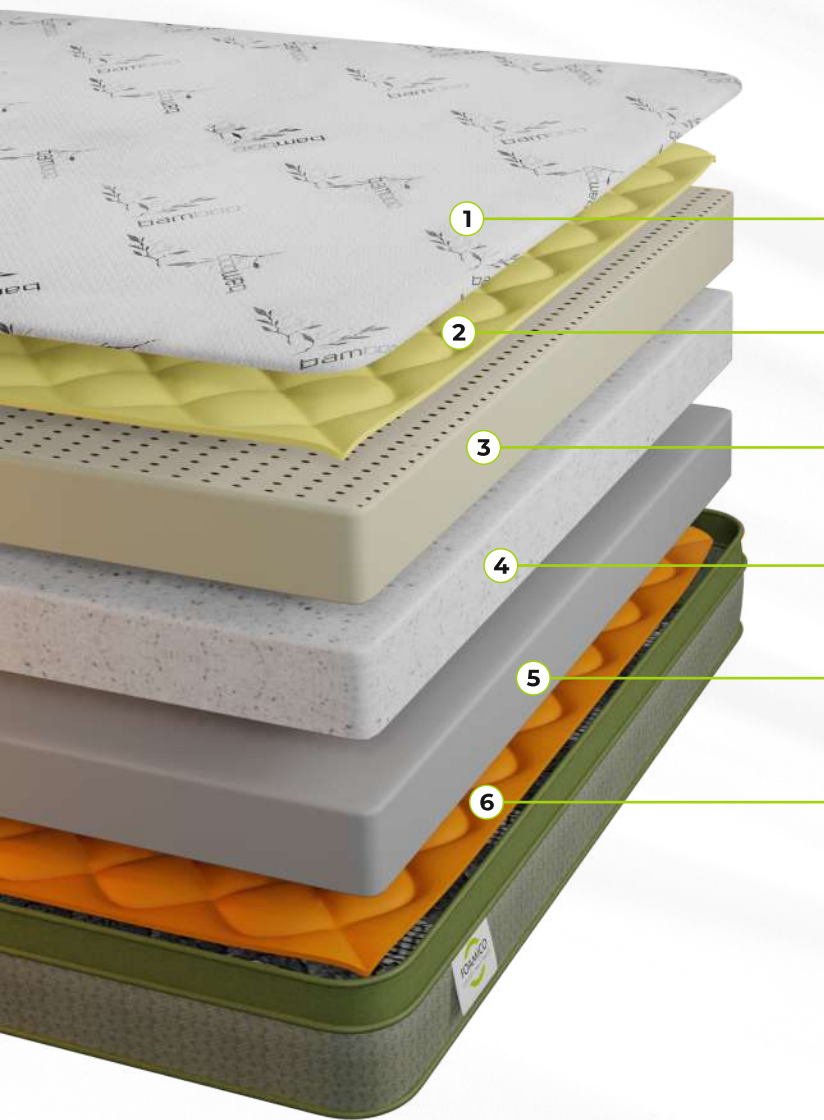

Pin Core Latex uses precision pinholes to improve airflow, release heat, and enhance comfort responsiveness for cooler sleep.

7 Zone Latex

7 Zone Latex provides targeted support to different body areas, ensuring proper alignment and reduced body strain.

Naturally supportive, breathable, and designed for healthier sleep.

NATURA 1.0

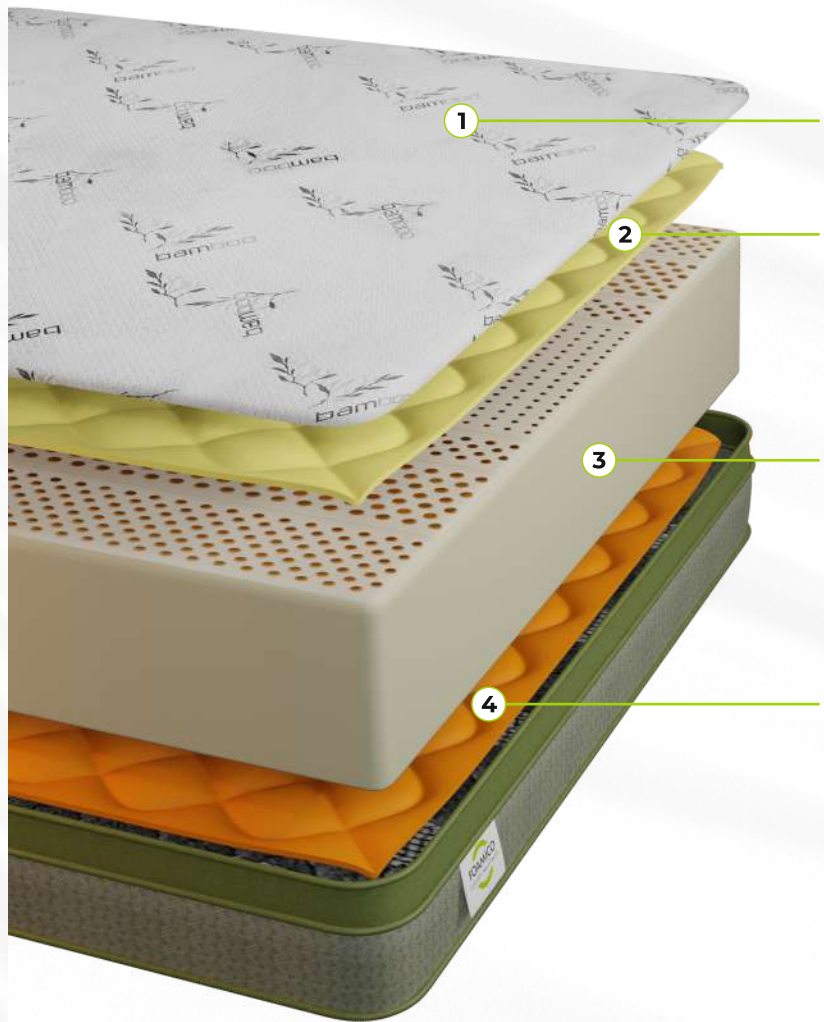

- Super Plush Luxeknit Fabric**
Premium stretch-knit fabric offering breathability, durability, and a luxurious soft touch.
- Aeroflex Foam Quilting**
Cushioned comfort layer offering enhanced softness and gentle contouring support.
- Pincore Latex Foam**
Ventilated latex with pinholes ensuring airflow, responsiveness, and pressure-relieving comfort.
- Cloud Sense Foam**
Plush and adaptive layer delivering cloud-like comfort and pressure relief.
- Zero G Latex Foam**
Firm and supportive core layer delivering long-lasting orthopedic support and durability.
- Soft Foam with Quilting**
Additional cushioning for enhanced comfort and a cozy sleeping experience.
